Digital Library — Borrowing Requirements

1. Introduction

The digital library serves students and staff of the institute.

E-book licensing terms are managed by the procurement office.

2. Functional requirements

REQ-1: The system shall allow a member to borrow up to 5 items at the same time.

Acceptance criteria:

- Borrowing a 6th item shows 'Borrowing limit reached'.

REQ-2: The system shall set the loan period to 14 days.

Acceptance criteria:

- The due date equals the borrow date plus 14 days.

REQ-3: The system shall allow one renewal if no other member has reserved the item.

Acceptance criteria:

- Renewal is refused when a reservation exists.

REQ-4: The system shall send a reminder 2 days before the due date.

Acceptance criteria:

- The reminder is sent by email at 09:00 local time.

REQ-5: The system must block borrowing for members with overdue items.

Acceptance criteria:

- A member with one overdue item cannot borrow.
