HR Portal — Leave Request Requirements

1. Introduction

Leave policies are defined by the HR department and may change yearly.

Payroll integration is described in a separate document.

2. Functional requirements

ID | Requirement | Acceptance Criteria | Priority

FR-1 | The system shall allow an employee to submit an annual leave request with start and end dates. | The request shows the number of working days requested. | Medium

FR-2 | The system shall prevent a leave request that exceeds the remaining balance. | Requesting 6 days with a balance of 5 shows an error. | Low

FR-3 | The system shall notify the direct manager when a request is submitted. | The manager receives an in-app notification and an email. | High

FR-4 | The manager must approve or reject a request within 3 working days. | After 3 working days the request escalates to HR. | Medium

FR-5 | The system shall exclude public holidays from the calculated leave days. | A request spanning a public holiday counts one day fewer. | Low
